

# The outcome from our recent parent voice 2020-21

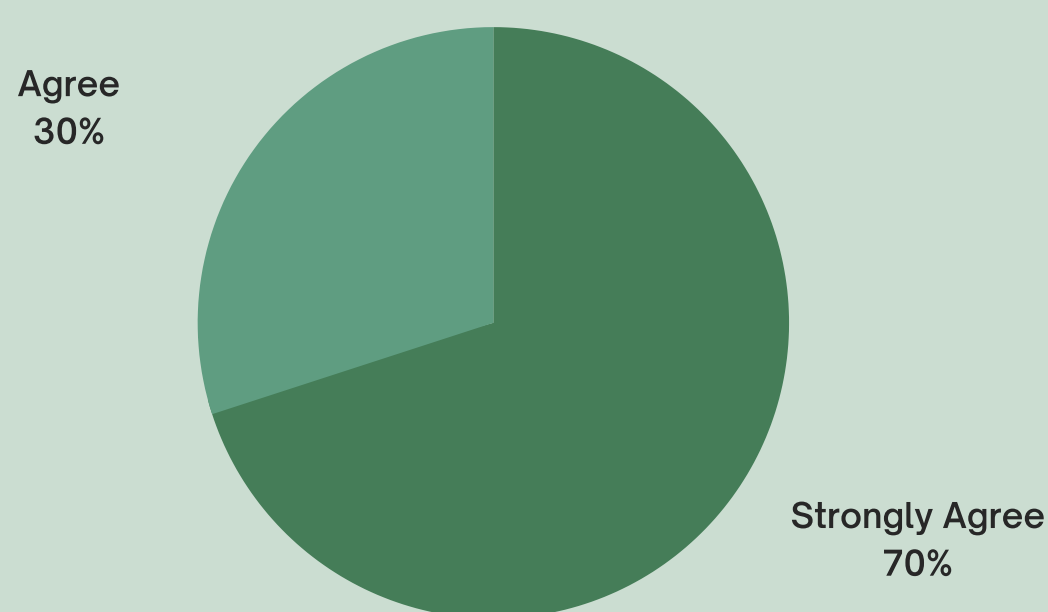

We are committed to continually reflecting on and improving our provision and the experience we provide for the children, and their families attending The Little Firefly Forest School.

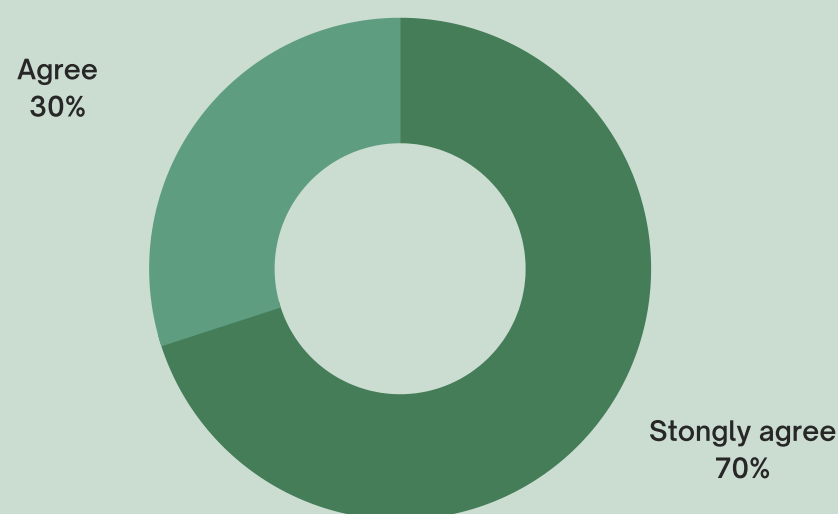

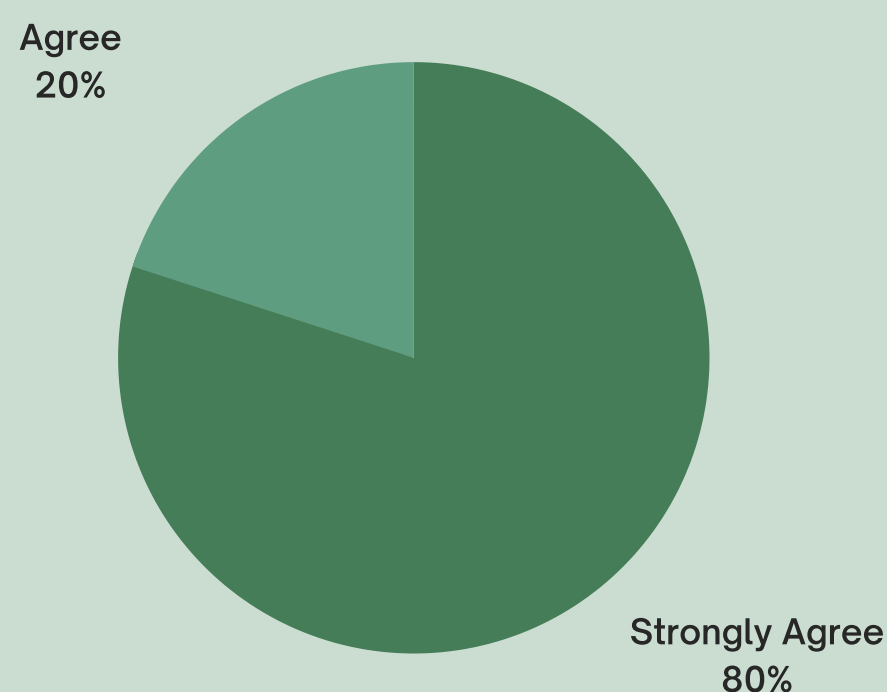

This important survey will help us determine where improvements can be made to our setting and the service we provide.

The findings from this survey have been anonymised, analysed and reviewed to help us understand what is working well and inform changes that are needed to improve. We thank you for your feedback, it is hugely important to us.

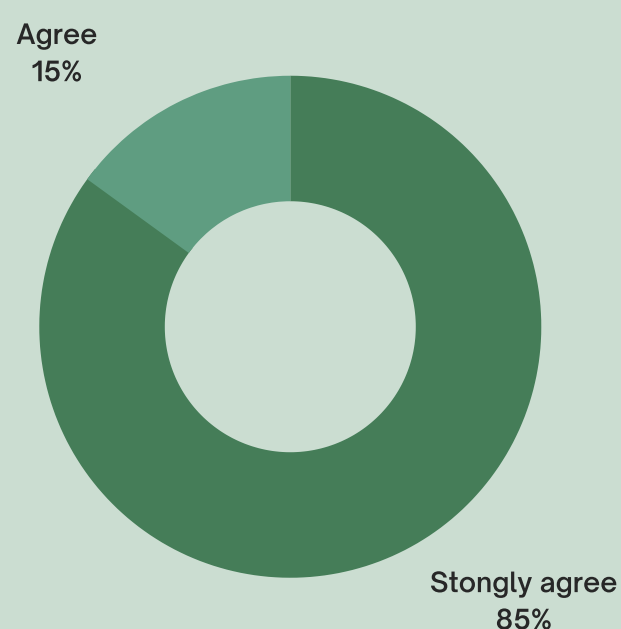

My child feels happy at Forest School?

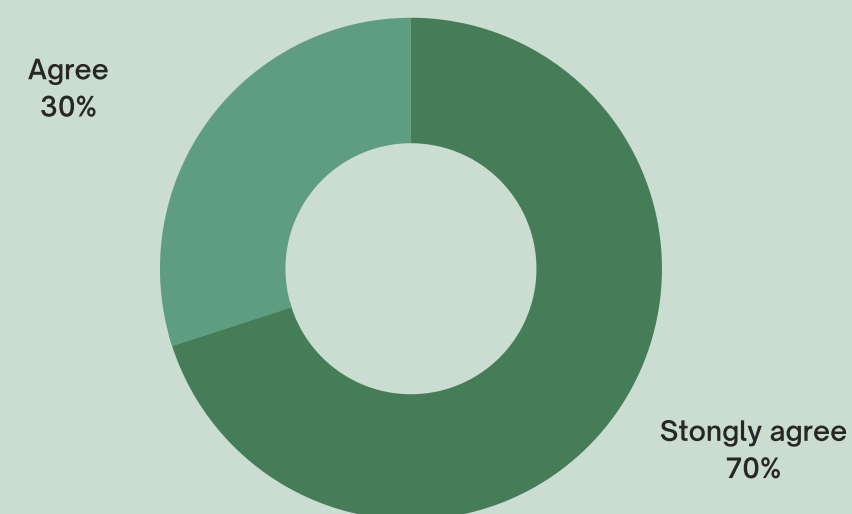

My child feels safe at Forest School?

I feel my child has made good progress at Forest School

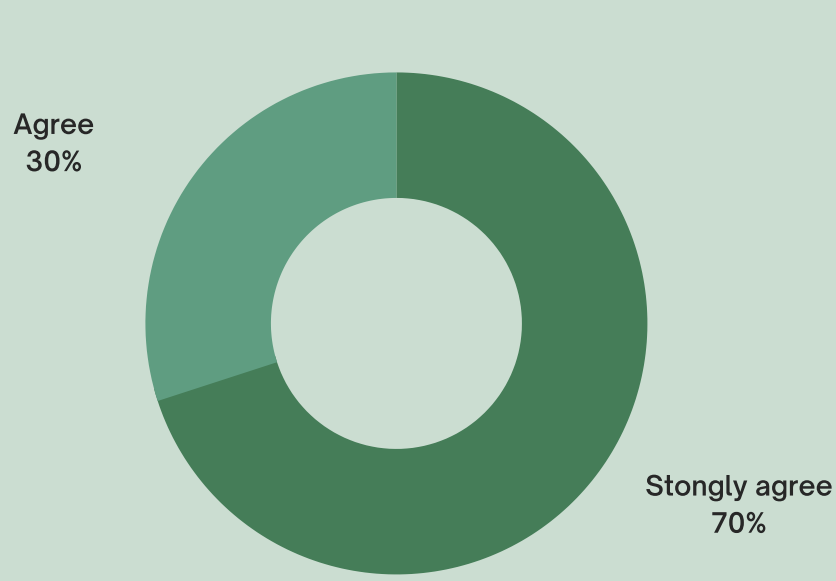

My child is well looked after at Forest School

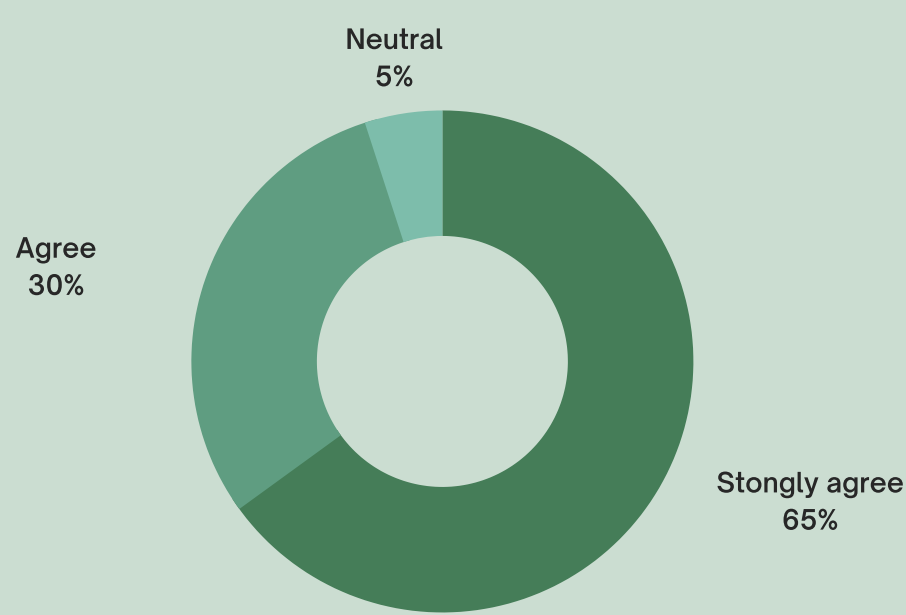

The quality of teaching and learning is good at Forest School

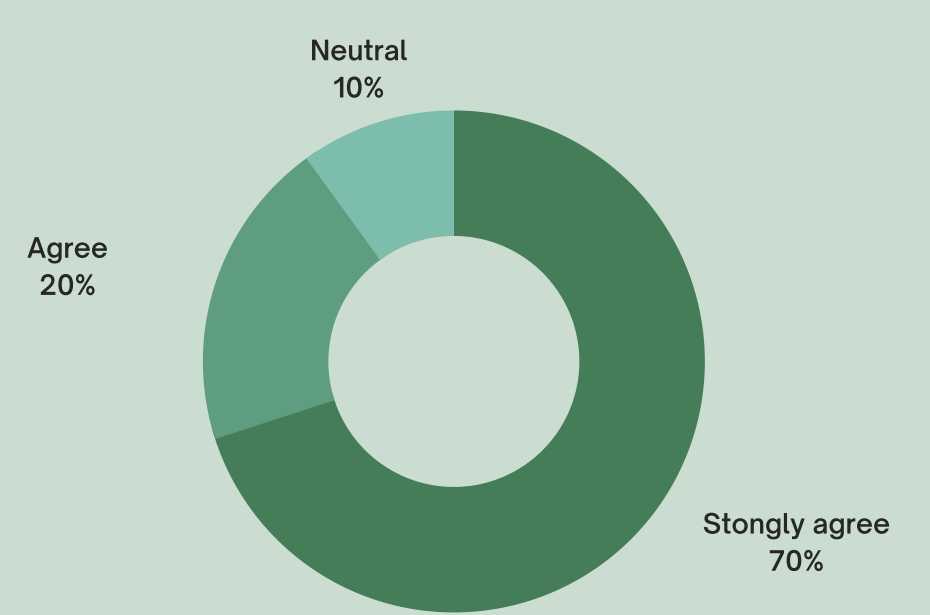

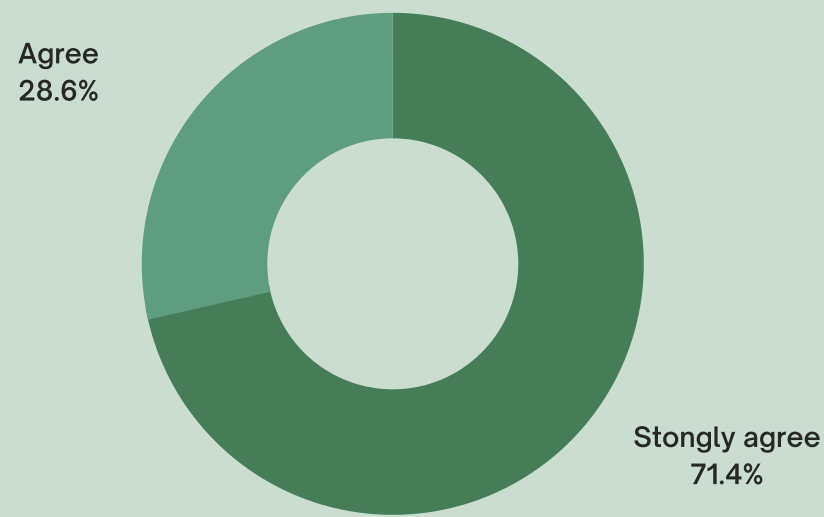

The setting is well led and well managed

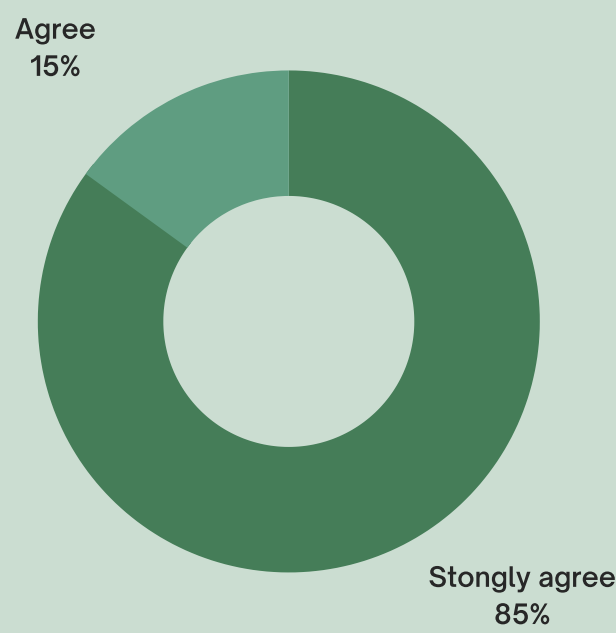

Communication from the setting is good

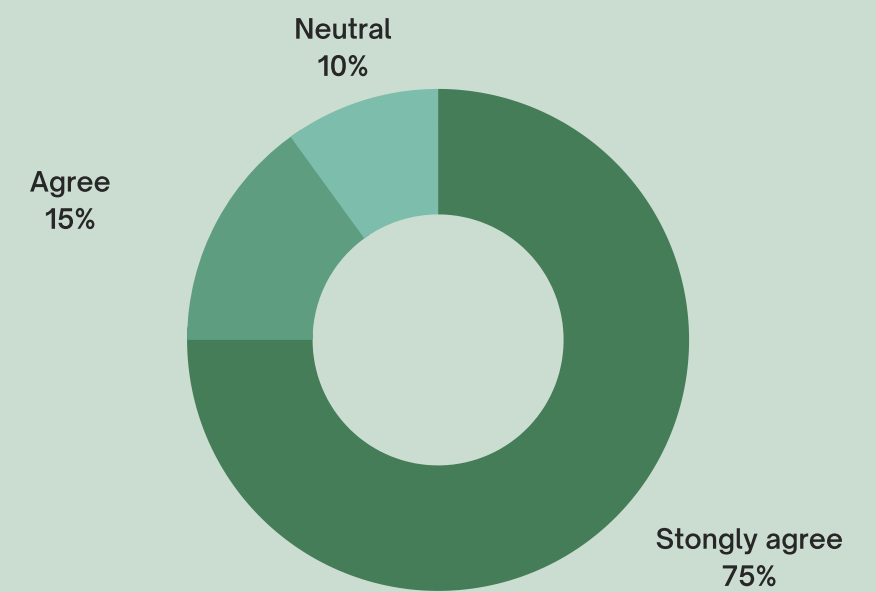

The setting responds well to any concerns I raise

I receive valuable information about the learning that is taking place in the form of photos and observations

I would recommend the setting to another parent

I feel I can discuss my child's individual needs with the team at the Forest School

## Your suggestions on ways we can improve

*"More focus on numeracy/literacy as part of play"*

*"It would be nice to have activities going at the start of the day to help engage the children when they arrive."*

We have taken on board your feedback and have already made some positive changes in response to this. Over the next term, we aim to demonstrate the changes we have made.

Thank you for all of  
your wonderful  
support and  
feedback!

"You are  
amazing.  
So lucky my child attends your  
setting. Incredible  
experiences and wonderful  
caring and  
untiring staff."

"It's so wonderful to see and hear  
about the time spent at forest  
school. The growth and learning  
we have seen is truly down to all  
of the leaders so thank you so  
much."

"I think you have created  
an amazing setting and employ people who share your  
values and it shines through in every area, from the  
greetings the children receive in the mornings to the  
way their progress is recorded on tapestry. Our children  
are richer and so lucky to have inspirational people  
taking care of them. People who think outside the box  
and are always looking for ways to enrich their days  
spent with you, I love the variety of activities you do, I  
love the fact you treat each child as an individual and  
respond to their needs while somehow managing to look  
after all of the other children and their needs."

"The best decision  
we have  
made as parents choosing The Little Firefly!  
We only wish we had done another day as we  
have been so impressed with the level of  
care, nurture and opportunities for learning  
provided. An utterly outstanding education  
setting! We shall very much miss being apart  
of it all. Thank you so much for your hard  
work,  
we appreciate it so much!"

"Exceeded all  
our  
expectations."

"We are so grateful  
to you all for all the incredible  
hard work you put in to making  
our child's experience and  
learning so  
exceptional."

"You're all amazing  
and we cannot thank you  
enough for giving our  
daughter so much love and  
care the  
past two years."
